

Business Systems Consultants, Inc.

About Us

BSCI is a leading provider of business and software solutions for constituency-based organizations. Originally serving associations and the not-for-profit community since 1987, BSCI has been an Authorized *iMIS* Solution Provider for over 16 years. Our headquarters and training facilities are located in downtown Chicago. BSCI currently supports over 50 member-based organizations throughout the Midwest using the powerful *iMIS* CRM system. Our unique *business process review* can determine how *iMIS* can help implement your own business strategy.

BSCI Staff

Behind the generic acronym stands a professional, competent consultant ready to serve you. Several staff started their careers in association management (IT-side). Our staff average is 24 years in the IT field and 18 years working in the association and not-for-profit fields. Over the years the BSCI staff has remained consistent, which allows for a personal knowledge of the environment of our customers. Sometimes events take place at irregular hours and project deadlines change, BSCI has always been responsive to customer needs outside normal business hours.

Industry Recognition

Each year, Advanced Solutions International, the developer of *iMIS*, selects the top Authorized *iMIS* Solution Providers (AiSP) in the world to receive the prestigious Chairman's Circle Award. This award recognizes those AiSPs whose commitment to quality ensures the future success of the many associations and not-for-profit organizations that use the *iMIS* CRM solution.

BSCI has been selected to serve in the Chairman's Circle eleven times.

BSCI has also won the ASI Customer Satisfaction Award multiple times. The ASI Customer Satisfaction Award recognizes the reseller who demonstrates the highest level of customer commitment as measured by the ASI customer satisfaction index.
